While the county commissioners are nominated in the primary election by the precincts which comprise each commissioner's district, the entire county ballots on each commissioner at the general election in November. So don't forget to vote for Thos Long and J H Bonderson.

Items of Interest from our Exchanges

Benson items in Omaha Bee, 5th: Mrs McCartney of Pittsburg, Pa., and Mrs Evans of Dakota City, Neb., are the guests over Sunday of Mrs W P Warner.

Hartington News: Mrs C Variss, who had been a guest of her daughter, Mrs Charles Ireland, returned Monday to her home at Hubbard. She was accompanied by her son, Harold.

Lyness Mirror: R C Bauer came down from Rosebud Agency this week to visit the Mirror family. Mr Bauer recently sold out in Alberta Canada, and will again live under the protection of the starchy banner.

Woodbine, Iowa, Chronicle: L W White and family returned Monday night from their two month's outing at Crystal Lake. Mr White says they had a fine time, and are all feeling much better after spending two months close to nature. He thinks Crystal Lake is the finest summer resort in the west.

Ponca Journal: Melvin Harden returned from a trip to Longpine, Monday. He is quite well pleased with the country out there. The reunion at Dakota City last week was attended by a large crowd and a grand time was had. Ponca was well represented there. Uncle Jeff Wilbur spent the latter part of last week at Dakota City and Sioux City. Uncle Jeff had the pleasure of accompanying a big new auto on a test trip over the course at Sioux City Friday. Although eighty-three years old, he takes great interest in autos and drives his own machine.

Emerson Enterprise: R A Campbell is visiting this week with his son at Superior, Wisconsin. A A Schreppel left Wednesday morning for Dakota City where he expects to locate permanently. Geo C Wallway returned Tuesday evening from a six weeks visit in the west. He took in the exposition at Seattle, visited at Salt Lake City, Denver and many other places of interest. He also spent a week at the home of his sister, Mrs Richard Schmidt at Molson, Washington. Mr Schmidt had his crops on the farm this year. His wheat averaged 45 bushels per acre, barley 60 bushels per acre and timothy two tons per acre. Land in that locality is selling for about \$40.

Wayne Democrat: LeRoy Loy went to Crystal lake on Tuesday and rode home in his automobile yesterday. Dr Heckert bought a piece of ground at Crystal Beach, last week, upon which he will build a bungalow next spring. A couple of months ago the Democrat advised its friends, those who want a little recreation in the summer, to buy ground at Crystal lake, that it would go up in price. Today it is a hard matter to get a piece of ground on the lake front. A big syndicate is now dealing for 40 acres of it, about all the real desirable ground left on the south side. It is not at all improbable that next year will see an electric railway clear around the lake, and property down there will go up like a republican tariff being revised by its friends.

Winnebago Chief: Henry Niebuhr was in Omaha on Saturday. Lillie Beam came on the noon train Monday. Mabel Niebuhr has been visiting at Bellevue for a few days. Henry Niebuhr was a passenger to Sioux City Wednesday evening. Mary Ashford and Pearl Murphy were in Winnebago on Wednesday. Mrs Chas Bates went to Homer Tuesday evening, returning on Wednesday with her husband. Mrs Chas Bates and her husband returned on Friday from a visit they had planned at the Geo Thacker home but discovered that two of the children had died.

Omaha World-Herald, 30th: After an illness of only one week, Frank J Moriarty, cashier of the Packers' National bank of South Omaha, died of ptomaine poisoning at St Joseph's hospital at 4 o'clock Sunday morning. He was seriously sick only a few days and the end came as a terrible shock to his relatives and friends. He had a sinking spell Saturday evening, but this was not at the time considered serious. Mr Moriarty attended a banquet tendered N F Reckard at a local hotel a week ago Friday and was taken sick Sunday, exactly a week before his death. It is thought that some dish of which he partook at this farewell banquet to Mr Reckard was tainted and instilled the poison in his system. Dr Dwyer was called at once, but the case did not look serious and Mr Moriarty was not sent to the hospital for several days. Mr Moriarty was 38 years old at the time of his death, and lived at 209 South Thirty-fifth avenue. He leaves a wife and several brothers and sisters, but no children. He came here from Milford, Mass, where he was born, when but a lad,

TWO BRIGHT YOUNG MEN OF DAKOTA COUNTY

Whom we can vote for with confidence, knowing that if elected their official duties will be promptly attended to.

GEORGE WILKINS.
Candidate for Clerk of the District Court.

For Thirty-Seven Years Minnesota Paints

have been made in Minneapolis by the Minnesota Linseed Oil Paint Co. Best prepared paints have been their life work. They do nothing else year in and year out. They are experts—trained from boyhood up, to make the best paints, that can be made. It's small wonder that it has become the standard by which others are judged.

A good-sized Minnesota Paint stock is now on our shelves awaiting your order.

We carry a complete line of Minnesota Paints, Colors, Oils, and Brushes.

DAKOTA CITY NEBRASKA

320 Acre Free Homestead

Wyoming, Colorado and Montana.—The Mondell Homestead law makes provisions for 320 acre homesteads in certain localities, instead of the usual 160 acre tracts. The requirements of the law are practically the same regarding residence, improvements and cultivation. These lands are going fast; if you want a homestead close to the railroad, you should act now.

Crops and Rain Fall—Visitors to the Omaha Corn Show will remember the magnificent display of farm products from West-on county, Wyo., grown on exactly the same kind of land that can now be taken in 320 acre homesteads. The Mondell Act includes lands that receive from 16 to 21 inches of rain fall annually and you only need to see the crops grown by the farmers already located there, to be convinced. These homesteads can be taken along the Burlington's new line now building in Wyoming. I personally conduct excursions the first and third Tuesdays of each month to these lands, and am employed by the Burlington to answer all inquiries, and to assist you in every possible way to locate along the Burlington Lines. Write for new folder and map of these lands.

D. CLEM DEAYER, General Agent.
